The Joint Admissions and Matriculation Board ( JAMB) on Thursday released the full names, location, states including Lagos, Rivers, Borno, Kaduna centres that have been suspended as result of clearly

The centres were suspected to have connived with suspects during April's Unified Tertiary Matriculation (UTME) across Nigeria.

NIGERIA NEWS report that the board released the results after weeks of waiting for them by the candidates

The results of the April 11 and 17 university admissions tests had long been expected. The board said the results were initially delayed by investigations into suspected cheating centres.

Out of the 1,826,839 candidates who sat for the UTME, the board released the results for 1,792,719 candidates.

The board also said 34,120 results were withheld, including the results of 15,145 candidates "being further clarified "as identical twins and siblings."
